## PREFACE

The delegates to the 1971-1972 Montana Constitutional Convention will need historical, legal and comparative information about the Montana Constitution. Recognizing this need, the 1971 Legislative Assembly created the Constitutional Convention Commission and directed it to assemble and prepare essential information for the Convention.

To fulfill this responsibility, the Constitutional Convention Commission is preparing a series of research reports under the general title of Constitutional Convention Studies. In addition to the series of research reports the Commission has authorized the reprinting of certain documents for the use of Convention delegates.

This Memorandum republishes an index to the Proceedings and Debates of the Constitutional Convention of 1889 that was prepared and donated to the Montana Law Library by Frank Woody on December 11, 1923. The original manuscript is available in the Law Library. This article and section index supplements the subject index that was published with the Proceedings in 1921. Mr. Woody offered the following introduction for his work:

No attempt has been made to cover by this index everything appearing in the proceedings. It is intended for but one purpose only, to show the progress through the convention of each section of the constitution, beginning with its first appearance before the convention, either by way of resolution introduced by a member, or by a report of a standing committee, and ending with its final revision and approval.

Both the 1884 and 1889 Conventions debated the importance of recording their deliberations, and both conventions decided that their work would be eased and the future served by maintaining careful accounts of convention debates and decisions. Full stenographic notes were taken of both conventions, and in each case, notes were transcribed into longhand accounts. W. I. Lippincott was chief stenographer for the 1884 convention, and Christopher P. Connolly served in that capacity in 1889.

The Montana Legislative Assembly arranged for the publication in 1921 of the debates and proceedings of the 1889 Convention, but no similar disposition was made of the records of the 1884 Convention. The Journal of Minutes and the full longhand Proceedings of the Convention Convened at Helena, Montana Territory, Jan. 14, 1884 were discovered in 1970 as the result

of a long-term project of organizing the territorial records by the Office of the Secretary of State. The Secretary of State made the manuscripts available to the Montana Historical Society for microfilming and copies are now available in the Secretary of State's Office, the Historical Society Library, the University of Montana Library and Montana State University Library.

The availability of the proceedings of the 1884 and 1889 Montana constitutional conventions to the Montana Constitutional Convention of 1971-1972 is a credit to the foresight of the delegates of 1884 and 1889.

The Commission felt that the deliberations of the 1971-1972 Montana Constitutional Convention would be facilitated by the availability of this index. This reprinting of this index is respectfully submitted to the people of Montana and their delegates to the 1971-1972 Constitutional Convention.

ALEXANDER BLEWETT

CHAIRMAN

*This is the most important gathering that has ever convened within the limits of the Territory of Montana. Its deliberations are of vast historical importance, and it seems to me, that for the sake of our constituents, and for the sake of the people of Montana, that the deliberations of this body should be taken down by a stenographer, that our constituents may refer to them in future years.... History is invaluable, not alone as a collection of past events; but as a matter of reference, whereby future generations may map out their lines of progress, and select those conclusions that have been shown by time and experience to be practicable and sensible.*

William R. Ramsdell  
Delegate from Missoula County  
1889 Montana Constitutional  
Convention
